***Amendment After Notice of Allowance***

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

At the recommendation of the Examiner captioned above, the Applicants respectfully request the following amendment be made after allowance and in accordance with 37 CFR 1.312.

The final paragraph of the specification currently reads:

One skilled in the art will appreciate that the present invention can be practiced by other than the described embodiments, which are presented for purposes of illustration and not limitation. In particular, although the present invention was designed for use with emergency medical services, it could easily be adapted for use in other medical and

The final sentence, as shown above terminates without a period. The Examiner is respectfully requested to delete the current final sentence as shown below:

One skilled in the art will appreciate that the present invention can be practiced by other than the described embodiments, which are presented for purposes of illustration and not limitation. ~~In particular, although the present invention was designed for use with emergency medical services, it could easily be adapted for use in other medical and~~
